

ABOUT US

EAST BAY
H·O·M·E·S

You want a home that fits your lifestyle, and a builder dedicated to quality. You'll find that East Bay Homes has a variety of exciting designs, and our commitment to satisfaction is evident in everything we do. From the casual elegance of our homes, to the careful selection of materials and all the special features we include, you can be sure that an East Bay home will live up to your expectations.

Let East Bay Homes build the home of your dreams on your lot or ours. Choose from our collection of award winning designs, ranging from 1,700 to 4,000 square feet. All East Bay homes have been designed with you in mind and can be customized to fit your needs.

The principals of East Bay Homes have over 50 years of combined building experience and are committed to providing innovative design, superior interior styling and exceptional customer service.
